Dear Paul:

The confidential record sheet regarding Ronald R. Frost is enclosed.

We are sorry for the delay. To fully understand our problem in securing specific information, you would have to know the community of Powers, Oregon. It's a very small logging town isolated at the end of a one way road. Following Mr. Frost's arrest, he and his wife were gone and no one in the community wanted to give out information or discuss the case. The information as shown is believed to be very accurate but isn't complete.

As no one knowledgeable concerning the situation is willing to give us a written detailed letter for future reference, we'll have to refer to the arrest records of Coos County in the county seat of Coquille as per my reference in my original letter to you on August 10, 1972.

Sincerely,

E. Ted Bingham
